Invitation to register – Municipal Directory of Suppliers

Do you do business in the municipality of La Pêche or are you a resident and would like to provide your services or goods to the Municipality? Then, don't wait any longer to add your name to the list of suppliers! This directory offers business people and professionals who work or reside in La Pêche a simple and efficient means of advertising. It also provides the municipal office with a source list and helps to promote local procurement when awarding a contract, regulations permitting. To be included in the Directory of suppliers of the Municipality of La Pêche, you must forward your contact information (name, address, telephone number and e-mail address) to the Municipality, as well as a brief description of your field of expertise and goods or services provided. Inclusion on the list does not guarantee the securing of contracts, but it does provide great publicity! Listing requests may be forwarded by mail to 1, Route Principale Ouest, La Pêche (Québec) J0X 2W0, by e-mail to reception@villelapeche.qc.ca or by fax to 819 456-4534. In any case, please address your request to: Municipality of La Pêche - Directory of suppliers. The directory is updated every year, in January.

The Municipality of La Pêche Christmas Campaign

This year, the Christmas campaign will take place on December 5. MRC des Collines de l'Outaouais

In accordance with the requirements of the Act respecting land use and development, the MRC des Collines-de-l'Outaouais must review its development plan at regular intervals. In addition to these statutory requirements, the review is also required in view of socioeconomic and policy developments since the current development plan came into effect in 1998. In June 2015, the MRC Council of Mayors adopted the second draft of the revised development plan. This document must be submitted to a public consultation process, in order to provide the people of the MRC municipalities the opportunity to comment on planning and development proposals at issue. To this effect, the MRC will hold a public consultation at 7 p.m. on November 23, 2015 at the La Pêche sports complex located at 20, Rue Raphaël.
