## DOCK - GENERAL INFORMATION

You will find hereafter, the list of the general documents to be submitted when applying for a **DOCK** permit. Note that the inspector ask for other documents if necessary.

*Your e-mail is very important to accelerate the treatment of your permit requests*

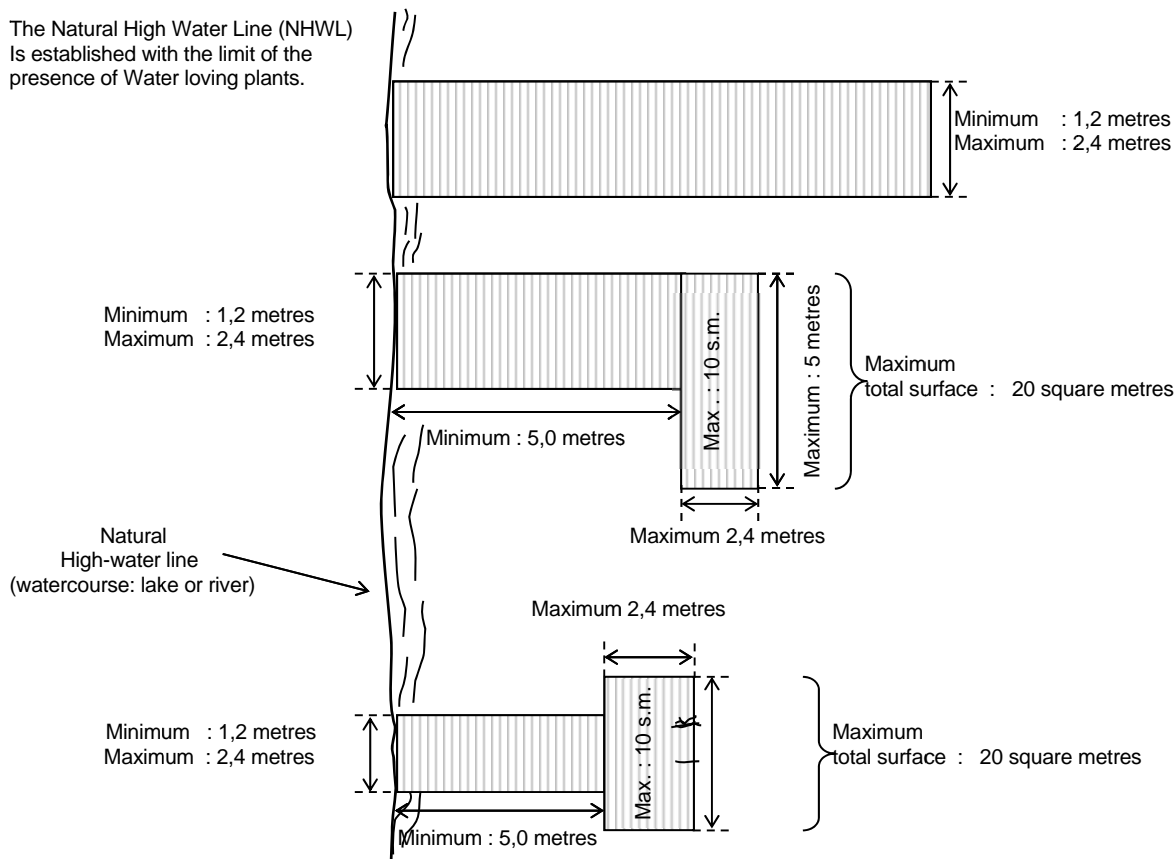

### All permit application must be submitted with the following information and documents :

- If you are more than one owner, a **letter of authorization** (proxy) from the other co-owners is mandatory to make a permit request.
- Implantation site plan** showing the projected localization of the dock with its setbacks from all lot lines. **If you have a localization certificate, Please, use it.**
- Detailed building plan to scale** of the projected construction, showing the shape, dimensions and the materials to be used.
- Cross-section plan** to scale including the **anchorage system**.
- The **projected cost** of the construction and the **projected date** for the start and the end of its construction.
- The full name, address, phone number, e-mail and RBQ (Régie du bâtiment du Québec) license no of the **contractor**.
- Payment of the **building fees of 25\$**.

***\* A main building (or the issuing of a permit for a main building) is mandatory for the issuing of a dock permit.***

### Authorized dimension and area are :

The Natural High Water Line (NHWL)  
 Is established with the limit of the  
 presence of Water loving plants.

**Please note that it is forbidden to start the construction before a permit is issued**
